

RECEPTION COUNTERS

FIFTY-FULL

A MODERN AND UNIQUE DESIGN

The pure lines define the style of the new Fifty-Full reception counter, the extension of the Fifty-Fifty. A true communication platform, the modern and functional Fifty-Full gives the reception area a distinctive style.

ENHANCED MODULARITY, MORE COMFORT

Numerous configurations possible with Fifty-Full. Equipped with high and low modules, this new reception counter is especially well-suited to welcome seated visitors for longer periods of time. It also complies with European standards for wheelchairs users (DDA).

Support square leg at the junction of the tops and connection kit of modules

Reception shelf for visitors, with elegant 45° mitre cut

- A reception counter with thirteen modules to create the reception counter adapted to the environments of small and large companies alike.
- A console acting as reception shelf for visitors, can be fitted with LEDs.
- A reception counter designed with work tops intended for DDA wheelchair users.
- Spacious work tops equipped with pre-drilled grommets holes for easy cable management.
- Quick and easy assembly thanks to the connection kit simplifying alignment of the modules.
